

365 Millennium Dr., Suite A, Crystal Lake, IL 60012

...workshops for siblings of children with special needs.

Sibshops...

...are lively, engaging **celebrations** of the contributions made by brothers and sisters.

...**acknowledge** that having a sibling with special needs can be a good thing, a not-so-good thing, or somewhere in-between.

...reflect the belief that brothers and sisters have **much to offer** one another.

...are a **spirited** mix of new games, new friends, and discussion activities.

...are not therapy, although their effect may be **therapeutic** for some children.
